

Dr. Lytia R. Howard
International President

April 10, 2014

Dear Sunshine Band President/Co-Laborer;

This year, Dr. Howard celebrates her *29th year as the International President of the Sunshine Band, her 49th year in ministry and a very special birthday (May 6).*

As you know, Pastor Howard has been a spiritual resource and a powerful leader not only to the New Hope church family, but to the International Church of God in Christ as well. We are pleased that the Lord has blessed her with a new opportunity to Chair a special committee that reports directly to the Chief Apostle of the Church of God in Christ Bishop Charles E. Blake, Sr.

We are grateful that God has placed such a dynamic woman to lead us in ministry of the Sunshine Band. To show your appreciation for her leadership, please join us as we **celebrate Dr. Howard's birthday AND 29 years of service to the Sunshine Band**. We will celebrate her on Friday, May 2 – 7:30 p.m. and Sunday, May 5 – 8:00 a.m. for an unforgettable and well-deserved celebration that will highlight the ministry gifts of Dr. Howard. The speaker for Friday, May 2 will be Superintendent Linwood Dillard of Memphis, TN and the speaker for Sunday, May 4 will be Prophetess of Sharon Seay-Whitelaw of Jackson, TN. If you are unable to attend any of these services we are asking that you show your love to our International President by showering her with a love token. We will be celebrating her through out the month of May and we will close out the celebration during the Women's International Convention in Louisville, KY May 26 – May 31, 2013. Your love tokens will be acknowledged at that time.
