

**The Church of God in Christ
Urban Initiatives ~ Education
Technology Based Literacy Pilot Project**

B R A I N C H I L D
Study Better, Score Higher!

Eligibility:

COGIC Urban Initiatives - Education seeks twenty (20) churches that are interested in implementing a technology based literacy and mathematics program among their congregants and community members. Those who to commit to a one-year pilot program will be afforded the following opportunity to provide the following:

- On and off site literacy development instruction to students at the first through eighth grade instructional levels at a significantly lower cost than published to the general public.
- A customizable program that is geared to individual students who are two or more years below grade level and can be used to develop skills among younger developing students.
- A coherent sequence of literacy and mathematics skills paced at the level of the learner
- Collect data that identifies student strengths, weaknesses and progress.

Implementation Timeline:

Initial Conference Call of Interested Churches	March 2015
Commitment Agreements Established	March 2015
Financial Agreements Completed	April 2015
Training	April 2015
Implementation	April 2015

Cost:

Each church subscription for resources for < 30 students	\$ 495.00 (Literacy)
	\$ 495.00 (Math)
Mobile (Study Buddy pack) 5 with 20 Cartridges	\$1, 249.75
Administrative Costs	\$ 100.00

Total Cost per pilot church

\$2,339.75

Costs include online training and follow up and support.
