

Wear a Scrub...Get a Career!
An Exciting New Program of COGIC Urban Initiatives
Offered for Youths Tuesday & Wednesday 10 – 11:30 at AIM
A COGIC Urban Initiatives and Youth Partnership

This exciting faith-based program inspires young people towards 7 high-demand health care careers. There are 5 fun and engaging activities can be offered over several weeks or at an all-day high profile event. Every other month access new activities at the Wear-a-Scrub website.

Activity Highlights:

- Every student receives a Wear a Scrub Kit that includes their Health Career Explorer Guide, a cinch bag, a professional scrub, a stethoscope, wrist band and Career Cards on: nursing, paramedic, occupational, respiratory and physical therapy, medical lab technologist and infection preventionist.
- Youth Ministers receive a step-by-step Activities Guide on all activities and access to an online training PowerPoint. You don't need a medical background to host an event.
- Kids discover the mind, body, spirit connection through bible passages, they solve "Nikka's Case," a teen being treated for injuries from a car accident identifying what career does what to treat Nikkea's symptoms as they role play wearing their scrubs & stethoscopes, they become "Sugar Detectives" learning to nurture their bodies, they tour an ambulance and meet local paramedics, and they find out what it takes to pursue a health career *before* they go to high school.
- Churches take photos of each youth with their scrub and

stethoscope and our Wear a Scrub team imports the photo on to a "Magazine Cover" inspiring each child to see themselves as a success! Individual photos may not be take of each participant at AIM.
