

PROGRAM IMPLEMENTATION FORM

Initiative Name: Family

Program Name – Gifted and Talented (Advanced learning development by Stanford University)

Website address - www.giftedandtalented.com

Description of program

What is GiftedandTalented: They provide innovative personalized programs that help students become advanced learners in Mathematics and English. Students work independently or with the support of a Tutor.

Benefits of program

Who Can Benefit: Kindergarten through 12th-grade students of all backgrounds can benefit from enrolling in our personalized courses. Whether supplementing school, preparing for tests or homeschooling, we accelerate learning.

Implementation Steps:

1. Select your course subject under get started
2. Example: if you select mathematics you would see in the listing kindergarten through 12th grade.
3. If your child is eight (8) years old in the third (3rd)grade but is doing work typically completed by a fifth (5th) grader select fifth (5th)grade.
4. Featured courses are Math and English combine, Redbird Mathematics, Language Arts and Writing Beginning Algebra each would have, lecture demos, examples problems and adaptive responses.
5. Accelerate Learning with the Tutor option.
