Introduction

It is the intent and purpose of the Curriculum Screening Committee to assist the General Mother in avoiding the dissemination of materials unsuitable for usage in or by the Department of Women COGIC. With the sacredness of our Church Doctrine and our belief in the absolute authority of Scripture we take seriously our efforts in screening publications that are to be adopted for use by or within the Department of Women. However, while some publications, documents, etc. may not violate the COGIC Doctrine, they may not meet the standards, purposes or goals we have set forth.

Statement of Principle

The purpose of this document is to provide guidelines for the evaluation and selection of publications/resources for the Department of Women, COGIC commensurate with the Doctrine of the Church of God in Christ holding to its moral and spiritual principles as interpreted by our Constitution.
