International Department Of Women
Church Of God In Christ

2019 SCHOLARSHIPS

The International Department of Women offers seven scholarships that are created to support the academic pursuits of men and women who will be graduating from high school or who are currently enrolled in college and also are members of the Church of God in Christ. We realize that not all students will attend a 4 year college or university and therefore the scholarships are also extended to those attending vocational/technical, or community colleges. The scholarships are awarded annually during the Women's International Convention and are available to high school, college, and post-secondary students.
