RE: Truth Is the Absolute Defense to Defamation

Dear Bishop Blake,

Greetings in Jesus' name.

I am completely disturbed by the continuous assertions by our "brother", Dr. Earl Carter, that I have any knowledge of any alleged impropriety of yours.

There is no truth to his accusations and assertions.

There is no evidence to his accusations and assertions.

I am not, nor have I ever been privy to any knowledge of "statutory" rape committed by you. This is complete prevarication.

I have never known or even ever heard of your impropriety with a minor, young adult or anyone else for that matter.

I do not know of any "grandmother", "mother" or "child" ever mentioned to me or by me from or to anyone.

Rumors and lies spread take on a life of their own.

Please be encouraged.

Please just keep walking in your integrity and in your assignment.

Please remember the words of the Holy Spirit through the Apostle Peter, "For so is the will of God, that with well-doing ye may put to silence the ignorance of foolish men" (1 Peter 2:15).

God's best and greatest blessings be upon you and yours.

Sincerely,

Dr. David N. Wright, Sr.
