

Church of God in Christ

WORLD HEADQUARTERS

930 Mason Street, Memphis, Tennessee 38126

Dear Saints,

We pray you are abiding safely under the keeping power of our Almighty God during these times. The impact of the current pandemic upon our lives, our families and our worship cannot be measured by any paradigm which restricts our holy testimony that our God is in control and He will see us through.

We are grateful for how history has revealed that the foundation of our great Church, the Church of God in Christ, is built upon the solid rock. Presently, we are established in more than 100 nations and cultivated on every continent.

These are challenging times for all of us and the Church is doing everything possible to maintain daily operations as well as facilitate our global mandate to reach the world. Now, more than ever we need you. There are thousands of people ready to be harvested for the Kingdom. All around us there are hurting and broken people that we must reach with the love of God. Jesus saw the multitudes and was moved with compassion. (Matthew 9:35).

The ministry of the Church of God in Christ has a vital responsibility by continuing operations to best serve our beloved community and we can't do it without your help. If you're able, please plant a seed that will enable the global ministry of our Church to maximize its efforts of investing in the lives of our seminary students, foreign missionaries, as well as maintain the expansive operations of all of our National Properties in Memphis Tennessee and Lexington Mississippi.

The Givelify organization has partnered with the Church of God in Christ in reaching its constituency. For your convenience, you may use the following link (<https://giv.li/lmkeib>) which will take you to the COGIC Home Page where you can plant a generous seed to help us impact the world. Also, a QR Code is embedded below. Simply hold your camera in front of the code and you will be directed to the COGIC Home Page as well. Your seed can go where you physically cannot go. As your Presiding Bishop, it is my joy and honor to personally seed a gift of \$100,000. It will take all of us working together.

"To seek and save that which is lost."

On behalf of the General Board, General Assembly and General Elected Officers of our Church,
"I see us in the future and we look much better than we do right now."

Sincerely,

Bishop Charles E. Blake, Sr.
Presiding Bishop
