**Disclosure Statement Regarding the Status of
INTERDENOMINATIONAL THEOLOGICAL CENTER
Atlanta, Georgia
Issued December 5, 2023, by SACSCOC**

The following publicly available information is provided by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) concerning the accreditation of Interdenominational Theological Center. Information presented below is in accord with SACSCOC's disclosure policy; SACSCOC staff cannot comment further on questions specifically related to Interdenominational Theological Center (ITC). The institution has reviewed this statement prior to public posting and was invited to submit official comments regarding SACSCOC Board of Trustees action.

Action by SACSCOC Board of Trustees took place on December 3, 2023, and the institution's next review is December 2024.

What is the accreditation status of Interdenominational Theological Center (ITC)? Interdenominational Theological Center is accredited by the Southern Association of Colleges and Schools Commission on Colleges; however, the institution was denied reaffirmation, continued in accreditation, and placed on Probation for Good Cause for twelve (12) months following SACSCOC Board action on its Monitoring Report. SACSCOC accreditation includes all components of the institution—all programs, branch campuses, off-campus sites, and distance education programs as reported to SACSCOC; thus, the Probation status applies to the entire institution.

What does it mean to be continued in accreditation for Good Cause and placed on Probation? ITC University had been on monitoring for two (2) years and the maximum consecutive time for a monitoring period is two (2) years. ITC was at the end of its two-year monitoring period, however, instead of removing the institution's accreditation, the SACSCOC Board of Trustees can extend accreditation for Good Cause if (1) the institution has demonstrated significant recent accomplishments in addressing non-compliance, **and** (2) the institution has provided evidence which makes it reasonable for the Board to assume it will remedy all deficiencies within a 12-month period, **and** (3) the institution has provided assurance to the Board that it is not aware of any other reasons, other than those identified by the Board, why the institution cannot be continued for Good Cause. Probation is the most serious public sanction imposed by the SACSCOC Board of Trustees short of loss of accreditation. In December 2024, ITC will have been on Probation for Good Cause for one year. For additional information about sanctions, see the SACSCOC policy entitled "[Sanctions, Denial of Reaffirmation and Removal from Membership](#)".

Why was Interdenominational Theological Center denied reaffirmation, continued in accreditation, and placed on Probation? Interdenominational Theological Center was denied reaffirmation, continued in accreditation and placed on Probation because the SACSCOC Board of Trustees determined that it had failed to demonstrate compliance with the *Principles of Accreditation*, namely, Core Requirement 4.1 (*Governing board characteristics*), 13.1 (*Financial resources*), Standard 13.3 (*Financial responsibility*), Standard 13.4 (*Control of finances*), and Standard 13.6 (*Federal and state responsibilities*). These standards expect an institution to (1) have a governing board that (b) exercises fiduciary oversight of the institution; (2) have sound financial resources and a demonstrated, stable financial base to support the mission of the institution, and the scope of its programs and services; (3) manage its financial resources in a responsible manner; (4) to exercise appropriate control over all its financial resources; **and** (5) that an institution (a) is in compliance with its program responsibilities under Title IV of the most recent Higher Education Act as amended and (b) audits financial aid programs as required by federal and state regulations. A Special Committee was authorized to visit the institution. (To read the full statements for the standards cited above, access the [Principles of Accreditation: Foundation for Quality Enhancement](#)).

What will happen in December 2024? The SACSCOC Board of Trustees will consider the accreditation status of Interdenominational Theological Center following a review of a Monitoring Report submitted by the institution addressing the standards cited above for non-compliance. The Board will have the following options: (1) remove the institution from Probation and reaffirm accreditation without an additional report; (2) remove the institution from Probation, reaffirm accreditation, and request a Follow-Up Report at the time the institution submits its Fifth-Year Interim Report; (3) deny reaffirmation, continue accreditation for Good Cause, continue the institution on Probation, request a Monitoring Report, and authorize a Special Committee; or (4) remove the institution from membership for failure to comply with the *Principles of Accreditation*. SACSCOC staff will not speculate on what decision might be made by the Board of Trustees in December 2024.
