Conference Description

Calibration involves tuning variables to maximize performances across the operational range of speeds and loads.

We will tune and maximize performance in youth ministry and young adult leadership through Impartation, Information, and Inspiration. Don't miss two days of high-energy worship, captivating speakers, and networking opportunities that will be life-changing. Our theme is "Into the Wild" as Youth Leaders must address the Wild World our youth face. LET'S CALIBRATE!

Conference Speakers

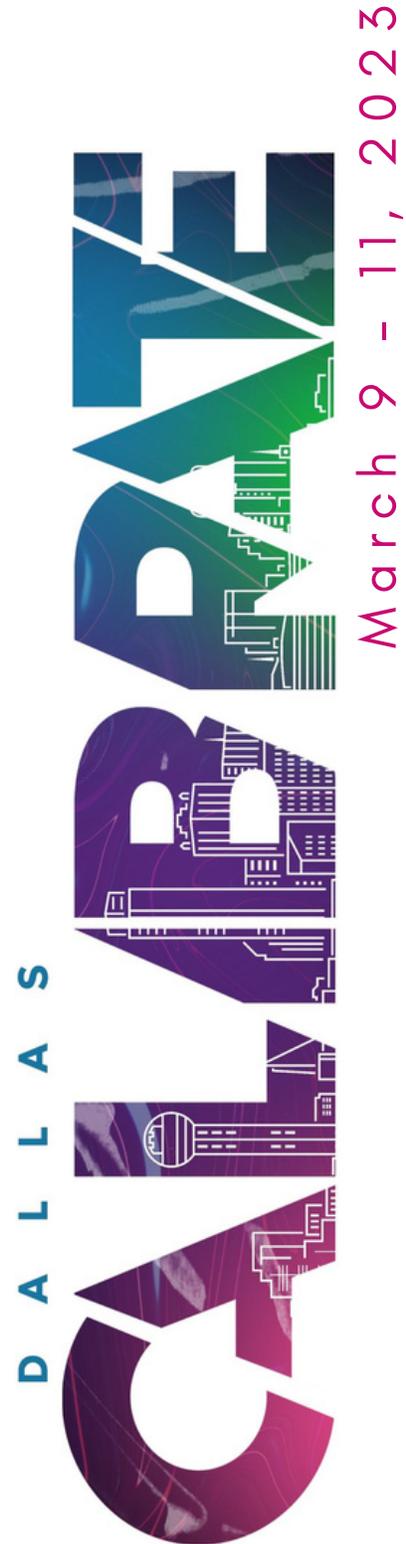

Pastor Brandon Clack
Lead Pastor
Reformation Memphis
Memphis, TN

Reverend Brianna Parker
Black Millennial Cafe Founder
Lead Researcher -
State of the Black Church Study
Dallas, TX

Pastor Otis Lockett, Jr.
