

TECHNOLOGY FOR THE CHURCH
Pastor Keith Odom

6 Steps to a Strategic Technology Roadmap

Technology comes at a price. Learn how to separate wants versus needs so your church can effectively invest in the right tools for the road ahead. Whether your church is tech-savvy or just beginning, these principles can help any team prioritize and scale.

The course outline is as follows;

What is a Technology Roadmap
When & Why Would You Need A Technology Roadmap
What Are the Benefits of a Technology Roadmap
What Are the 6 Steps to Building a Technology Roadmap

Presenter: Wale Mafolasire, Founder & CEO, Givelify

Presentation Summary:

3 Ways to Inspire a Culture of Digital Generosity

People of faith want to be more consistent in their giving. And research points to a giver that is more digital, that wants to give more. Learn how you can inspire a culture of digital generosity in today's tech first world. Plus, find out how it can help you maintain consistent giving regardless of the size of your church.

Presentation Outline:

- What is Digital Generosity
- Why Digital Generosity is Here to Stay
- Is Building a Culture of Digital Generosity Right for your Church
- The 3 Ways to Inspire a Culture of Digital Generosity
