On behalf of His Eminence Bishop J. Drew Sheard, our Presiding Bishop & Chief Apostle, along with the distinguished members of the Presidium, allow me to express extreme gratitude and sincere appreciation for the overwhelming support that has been displayed to the family of the Late Mother Willie Mae Smalls Rivers, Emerita General Supervisor of the International Department Of Women. In response to the severe weather conditions present in Charleston, South Carolina, the decision was made to reschedule the final ceremonial tributes in honor of our dear Mother Rivers. We ask that each person that is able to return would prepare to do so as we share in the ministry of presence. We appreciate your spirit of sacrifice & service.
